

Computer Technology – Presentation Assignment-2

Course:

Computer Technology – First Level (AI Department)

Submission Type:

PowerPoint / Google Slides Presentation

+ In-class oral explanation (**5–7 minutes**) on **Thursday 18/12/2025 AI-Lab-1**

1. Assignment Overview

Group of students (2 or 3) are required to prepare a **presentation** on a topic related to Computer Technology. Students may choose any topic they are interested in, as long as it is relevant to computers, AI, hardware, software, networks, or modern technological trends.

2. Objectives

- Explore a topic in computer technology independently.
- Summarize technical information clearly.
- Present ideas confidently and professionally.
- Use presentation tools such as PowerPoint effectively.

3. Topic Selection

Students may choose any ONE topic from the list below or propose their own:

- Introduction to Artificial Intelligence
- Computer Networks
- Cloud Computing
- Cybersecurity Basics
- Machine Learning Basics
- Internet of Things (IoT)
- Data Storage Technologies
- Computer Architecture
- Mobile Computing
- Virtual Reality & Augmented Reality
- Robotics and Automation
- History of Computers
- Future Trends in Computer Technology
- Programming Language (Such C++ Or Python ...)
- Web Engineering.
- Mobile Apps.
- Business Intelligence.

4. Presentation Requirements

- Title Slide: Topic title, students name, course, department, academic year.
- Content Slides: Clear explanation, diagrams, examples, key concepts.

- Conclusion Slide: Summary of main points and what you learned.
- References Slide: At least 3 sources.

5. Format Guidelines

- Length: 8–12 slides.
- Time: 5–7 minutes.
- Use clear and readable fonts.
- Use bullet points (avoid long paragraphs).
- Visuals are encouraged.
- Only English is acceptable.

6. Grading Criteria

<i>Component</i>	<i>Percentage</i>
Content accuracy & depth	40%
Presentation design	20%
Clarity of explanation	20%
References used	10%
Time management & performance	10%

7. Submission Instructions

- Submit the PowerPoint file by following link <https://forms.gle/KKVqSag5JWZ8eRTq7>.
- File name format: StudentsName_Topic.pptx
- Deadline: 17/12/2025.
- Late submissions not accepted.

8. Academic Integrity

All work must be the student's own. Copy-paste without citation is not allowed. Plagiarism results in a zero grade.
